- Canvas pad 11 x 14
- * Palette or paper palette (more practical)
...or freezer paper
- * Brushes – I've been using 2,3,4,5, & 8 bristle flats with minimum use of small rounds for *occasional* detail work
- Palette knife
- * Masking tape 1" minimum width or wider
- Paper towels or rag
- If you'd like, an apron helps!
- Your medium can be:
Liquin (stinky but paints dry quickly with its use)
Or a classic blend of: 1 part Damar varnish, 1 part refined linseed oil and 5 parts pure turpentine (odorless like Turpenoid)
- Same turps to clean brushes
