

WE NEED A FEW GOOD TEACHERS

We are scheduling our summer classes this week to start in June. If you would like to teach an adult or children's class this summer please send us the following:

1. Title of Course
2. Age group (children age range) or adult
3. Short paragraph description of course
4. Duration of course (weeks, days) (start/end)
5. Preferred day and time of course
6. Materials list
7. Any special considerations you have in mind.

Please reply no later than Friday, May 27

Call Dan Myers, interim class coordinator, at 617.894.8854 with any questions or concerns. Or email Danielmyersiii@me.com • Our teachers must be vaccinated (and boosted if possible) as well as attending students for the safety of all. Teachers of children's classes (under 18) must submit information for a routine CORI background check. • We have a generous sliding scale of pay depending on number of paying students (Starting at \$24/hr for 2 students up to \$36/hr for 6)
